## EDUCATION

**Bachelor of Science in Graphic Design**

Oral Roberts University, Tulsa, OK

Aug 2014 – May 2017

Tarrant Country College, Fort Worth, TX

Aug 2012 – May 2014

## SUMMARY

Graphic designer with attention to detail, problem-solving skills, and a drive to learn with a background emphasizing in print and photography. A deadline driven, organized self-starter who works well both individually and with a team.

## SKILLS

- Adobe InDesign, Photoshop, Illustrator, Lightroom and Acrobat
- Layout and Typography
- Multimedia advertising
- HTML and CSS knowledge
- Print design and prepress knowledge
- Microsoft Office Suite
- Photo editing, photo manipulation and DSLR photography

## EXPERIENCE

**Graphic Designer – Oral Roberts University, Marketing Department**

*September 2018 – November 2019, Tulsa, OK*

Designed print and digital advertising materials including brochures, postcards, cards, banners, publication ads, billboards, social media graphics and display ads. Also produced print and digital signage materials for internal departments.

**Graphics/Prepress Technician – Quik Print of Tulsa**

*May 2017 – August 2018, Tulsa, OK*

Worked quickly handling multiple projects in a fast-paced, high volume environment. Provided graphic design solutions and made type, design and format changes to customer documents to prepare proofs and files to print.

**Graphic Design Intern – JPS Health Network**

*Jan – March 2017, Fort Worth, TX*

Implemented the JPS brand and design styles across a variety of projects for both digital and print working in Illustrator, InDesign, Photoshop, Word, and PowerPoint. Created brochures, PowerPoint templates, digital slides and other assorted print and digital projects as well as assisted with social media planning and research.
